It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023.</p> <p>Please see note above</p>	15%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	7%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	0%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes/ No

Action Plan and Budget Tracking

What has changed?:	Sustainability and suggested next steps:
Raise the profile of Sports Day and allow children to feel proud of their accomplishments individually and as a team	Provide gold, silver and bronze silicone wristbands for children based on their individual achievements. Gold medals for all children who are part of the winning team	£ 325	Children continue to wear their wristbands and medals as a source of pride for many weeks after sports day has finished. They also know the value of the achievement based on the colour of the wristband and medal	Continue to purchase these each year as a way to encourage participation from all children during sports day.

Ensure children are properly equipped for sports events.	Purchase additional kit through Macron for children to wear at team events.	£498	Children have taken great pride in wearing an official Finlay kit. The new kits were a mixture of replacing kit that had been purchased seven years ago or better fitting kit for KS1 children who now feel more comfortable in appropriately sized kit.	Replace existing kit if needed. Possibly provide new outfits for dance festivals

Ability to access Forest School in wet weather	50 pairs of wellies purchased using a £500 grant from the Ernest Cook Trust as well as a top up from Sports Premium.	£80	Children are able to comfortably participate in activities when the ground is wet and muddy. Children are very happy to use wellies and appreciate their purpose.	Invest in some wellies above size 5 and below size 1 to allow more children to wear them.
Provide more equipment for Forest School sessions for children to participate in more activities.	Purchased equipment for Forest School sessions such as large rigger gloves for older children and tools to allow children to access more activities.	£212	All children now have access to a pair of gloves that fit and there is less waiting time for tools such as mallets.	Continue to purchase any items that will reduce sharing and allow all children to access sessions fully.
Replace equipment for PE lessons.	Purchases new netballs and footballs to ensure all children had access to a ball for these PE lessons. Restocked wear and tear items that needed replacement such as bibs, bean bags and tennis balls.	£720	All children were able to access a ball for netball and football PE lessons which meant that waiting time was reduced and engagement was increased.	Continue to maintain the stock of the PE cupboard.
