Aims and objectives

At Finlay Community School we believe that improving attendance is everyone's business. Providing a calm, orderly, safe and supportive environment where all pupils want to be and are keen and ready to learn is the foundation of securing good attendance at Finlay Community School. Working together to put the right support in place at the right time, in conjunction with all staff in school, parents/carers, pupils, Gloucestershire County Council and other local partners, we aim to remove any barriers to attendance by building strong and trusting relationships.

Regular attendance is fundamental to the future success of children. We expect pupils to be in school for every session of the school day and for every day that the school is open to them.

Our objectives are to promote good attendance, ensuring every pupil has access to the full-time education to which they are entitled. By acting early to address patterns of absence we aim to reduce absence, including persistent and severe absence.

Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on school attendance parental responsibility measures. These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- Part 6 of [The Education Act 1996](#)
- Part 3 of [The Education Act 2002](#)
- Part 7 of [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- [School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) Regulations 2007, as amended](#)
- [The Anti-Social Behaviour Act 2003](#)
- [The Education \(Information about Individual Pupils\) \(England\) \(Amendment\) Regulations 2024](#)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

- Transfer calls from parents to the appropriate member of staff in order to provide them with more detailed support on attendance

School processes for recording attendance and absence

We will keep an attendance register and place all pupils onto this register.

We will take our attendance register at the start of each morning session of the school day and once during each afternoon session. It will mark whether every pupil is:

- Present
- Absent
- Attending an approved off-site educational activity
- Unable to attend due to exceptional circumstances
- Any amendment to the attendance register will include
 - The original entry
 - The amended entry
 - The reason for the amendment
 - The date on which the amendment was made
 - The name and position of the person who made the amendment

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 3 years after the date on which the entry was made.

Pupils must arrive in school by 8.50 am on each school day.

The register for the morning session will be taken at insert time and will be kept open until 9.20am but no longer than 30 minutes after the session begins or the length of the form time or first lesson in which registration takes place. The register for the afternoon session will be taken at 1.15 pm and will be kept open until 1.25 pm.

Absence

The pupil's parent/carer must notify the school of the reason for an unplanned absence on the first day by 8.50 am or as soon as practically possible by calling or emailing the school.

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents/carers will be notified of this in advance.

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code.
- After the register has closed will be marked as absent, using the appropriate code

The Attendance Officer will identify patterns and trends in punctuality issues. Teachers should promptly report instances of lateness to the designated staff member. Parents should inform the school of any lateness due to exceptional circumstances.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The headteacher will only grant a leave of absence to a pupil during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as 'one off events which are unavoidable, examples may include the death of a close relative, attendance at a funeral, respite care of a looked after child, a housing crisis which prevents attendance'.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 6 weeks before the absence, and in accordance with any leave of absence request form, accessible via school office or email admin@finlay.gloucs.sch.uk The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

Procedures following unexplained absence

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. An absence message will also be sent via Edulink.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If the school cannot reach any of the pupil's emergency contacts, the school may, where considered necessary, carry out a home visit to the pupil's address, inform relevant outside agencies, contact the police etc
- In the instance of continued unauthorised absence that are not requested leave of absence, School can request a Notice to Improve from GCC to be issued to parents. This will be considered for 10 instances of unauthorised absence within a 10-week

period. Parents will be required to show improvement to a pupil's attendance or a fine can be issued by GCC.

Strategies for promoting attendance

The school's strategies for rewarding and improving attendance is:

- Weekly celebration of good attendance in assemblies
- Work closely with parents to support regular attendance – for example, communicating early about issues and acknowledging positive improvements.
- An attendance notice board which is visible for all parents and staff.
- Work closely with parents, who's children's attendance has fallen below 90%
- Children have an attendance target on their My Plans due to the impact that this has on their learning.

Attendance data monitoring, reporting and analysing

The school will:

- Regularly inform parents of their child's attendance levels via letter and meetings
- Monitor attendance and absence data weekly across the school and at an individual pupil level
- Identify whether there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the governing board.

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Provide regular attendance reports to teachers, SENDCO, Senior Leadership where needed, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to

- discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Formalise support or use legal sanctions, in conjunction with Gloucestershire County Council, for example through using a parenting contract, engagement with social services, Education Supervision Order or consideration of attendance prosecution in the Magistrates Court

Legal sanctions

The school must consider requesting Gloucestershire County Council issue a fine to parents for the unauthorised absence of their child from school, where the child is of compulsory school age and the national threshold has been met. Fixed penalty notices are issued in accordance with the Local Authority Penalty Notice Code of Conduct [Attendance - Schoolsnet \(gloucestershire.gov.uk\)](http://gloucestershire.gov.uk)

If issued with a fine or penalty notice each parent must pay £80 (per child) if paid within 21 days rising to £160 thereafter. If not paid within 28 days the Local Authority can decide whether to prosecute or withdraw the notice – note there is no right of appeal in court by parents against a fixed penalty notice. The national framework for penalty notices sets out that a maximum of 2 penalty notices per child, per parent can be issued within a rolling 3-year period (the second one being payable at £160 with no option to reduce fine by making payment earlier). If the national threshold is met for a third (or subsequent) time within 3 years, the Local Authority will consider prosecution through the magistrates' court under Section 444(1) of the Education Act 1996.

In Education Law (Section 576 of the Education Act 1996) 'parent' means:

- All natural parents, whether they are married or not
- Any person who has parental responsibility for a child or pupil
- Any person who has care of a child or pupil i.e. lives with and looks after the child
