Music

Our Whole School Curriculum Intent

At Finlay, we aim to teach a broad and balanced curriculum that enables children to enjoy, achieve and succeed in line with the National Curriculum. We provide opportunities to develop the children's cultural capital and ensure they are life-long learners, who are ready for the next step of the education and to thrive in Society. In addition to teaching the National Curriculum, we also aim for our children to leave school with a SMILE! Our SMILE values are: social awareness, mental health and wellbeing, independence, life skills and excellent aspirations. We provide opportunities to develop these values in all curriculum areas.

Our Music Intent

At Finlay, we teach the National Curriculum. As mentioned in the National Curriculum Framework, high-quality Music teaching should "engage and inspire pupils to develop a love of music and their talent as musicians, and so increase their self-confidence, creativity and sense of achievement. As pupils progress, they should develop a critical engagement with music, allowing them to compose, and to listen with discrimination to the best in the musical canon."

We feel our music curriculum links with our 'SMILE' values, as music is known to help improve our mental health and wellbeing and allows children to aspire to being a musician, composer or performer. Our music curriculum focuses on a range of musical genres from traditional folk songs to modern day rap music as well as covering the interrelated dimensions of music.

The Interrelated Dimensions of Music (Dimensions)

- Pulse - the regular heartbeat of the music; its steady beat.
- Rhythm - long and short sounds or patterns that happen over the pulse.
- Pitch - high and low sounds.
- Tempo - the speed of the music; fast or slow or in-between.
- Dynamics - how loud or quiet the music is.
- Timbre - all instruments, including voices, have a certain sound quality e.g. the trumpet has a very different sound quality to the violin.
- Texture - layers of sound. Layers of sound working together make music very interesting to listen to.
- Structure - every piece of music has a structure e.g. an introduction, verse and chorus ending.
- Notation - the link between sound and symbol.

Knowledge Organisers

Knowledge organisers should be shared with the children at the beginning of each block of work.

In Music, the children will have one knowledge organiser per half term.

The children should take a copy of this home.

The children should have quizzes based on the information on their knowledge organisers on a regular basis and use this as a tool for learning.

Knowledge Organisers should show:

- Vocabulary*
- An overview of the learning journey*
- How learning may link to previous learning*

1 – Listening: Hey You!

Find the pulse as you are listening to the music: Can you dance, get funky or find the groove?

Characteristics of Effective Music Teaching

What would I see in a unit of Music? What would I see in a Lesson?

<i>Recap at the beginning of the term to teach children how this unit links to their previous learning.</i>	<i>Elements of listen and appraise, sing, play, improvise, compose, perform in each lesson</i>	<i>Asking and answering musical questions</i>
<i>Use musical terminology/interrelated dimensions of music</i>	<i>5 minute recap at the beginning of each lesson to encourage retention of key knowledge and vocabulary.</i>	<i>Development of knowledge, skills and understanding in line with the National Curriculum.</i>
	<i>Use the Charanga Music scheme</i>
